The visit turned out to be a true highlight for the participants, leaving them inspired. The day kicked off with an insightful presentation, delving deep into the company’s rich history, services, and unique culture. A tour of the plant followed, offering our participants a behind-the-scenes look at the processes: “As a representative of the logistics field, Brohl Wellpappe has one of the best logistics processes I have seen. Their warehouse, order planning and fulfilment system are impressive, which directly affects the quality and the reliability.” – says Nini Tsiskadze. Thanks to our training center trAIDe for organising the programme!
